Successful Group Work with Children Requirement: Public Act 335 of 1993 Sec. 1531b.

Effective July 1, 1995: Applicants to the teacher certification program must demonstrate successful group work with children. Documentation of this group work is required to enter Level 2 in the College of Education.

Level 1 students are encouraged to begin finding and completing experiences to meet the required 40 hours of successful group work with children. The State defines a group as three (3) or more children (not your own) between the ages of 3 and 18. Students are reminded to find a group work experience that is compatible to the age group they plan to teach. The group work experience needs to be recent (within the last 5 years) at the time of admission to Level 2.

Some examples of group work include:

- Camp counselor
- Group tutor
- Playground director
- Religious teacher
- Scout leader
- Substitute teacher
- Teacher assistant
- Team coach
- Youth leader

The 40 hours of successful group work is **not** required for Level 1. This is a requirement for admission to Level 2.

Documentation verifying the 40 hours of successful group work is submitted as part of the Level 2 Application. Students will need a supervisor to verify the experience.

The verification forms as part of the Level 2 Application are available in Room 469, College of Education.
