This innovative program will provide students a summer camp experience featuring the fun and exercise of sports along with An introduction to math, science, and technology educational opportunities and careers available at Macomb Community College. The sports that will be offered are: Basketball and Cheerleading. We will use the Lego Curriculum to introduce math, science, and technology as well as critical thinking skills, which will last a life time.

To be conducted at:  
Macomb Community College  
14500 E. 12 Mile Road, Warren, MI
