This innovative program will provide students a summer camp experience featuring the fun and exercise of sports along with an introduction to math, science, and technology educational opportunities and careers. The sports that will be offered are: Judo and Fencing. We will use the Lego Curriculum to introduce math, science, and technology as well as critical thinking skills, which will last a life time.

To be conducted at:
Matthaei Building
Detroit, MI (313) 577-5945
