

About ISAAC

The Institute for the Study of the African-American Child (ISAAC), College of Education, Wayne State University, fosters African-American education and child development through research, dissemination of information, training, community service to parents and clinical services for children. ISAAC strives to expand awareness and understanding of critical issues related to the achievement of African-American children by illuminating policy issues at the local, state and national levels.

Now is the time to give

Yes, I want a plan for African-American children.
